GIFTED & TALENTED (G&T) CLASSES VOLUNTARY CONTRIBUTION 2017

The Gifted & Talented Program at Haberfield Public School provides opportunities for identified children to pursue their interests and abilities above and beyond grade level.

Each year, the Gifted & Talented Unit requires additional funding for the purchase of resources above what is provided in the school budget. We are asking for a voluntary contribution of \$100.00 from each student to supplement the purchases of G&T resources.

During 2016, the G&T Unit was able to purchase the following items:

Online Site Licences for Mathematics, Literacy and Science/ Advanced Reading Kits and materials/Digital Hardware/Reference books / National Geographic kits and I-pads.

This year, we are aiming to continue our site licences and add to the resources purchased last year.

Your support for this program is appreciated.

Please forward the amount together with the tear off slip to your child's teacher.
